Eastern Ohio Angus Members & Past Sale Consignors,

It's with great pleasure that I write you concerning the upcoming 2018 Eastern Ohio Angus Spring Sale. The Ohio Angus Association will be managing the Spring Sale, and we are looking forward to another outstanding sale.

The 2018 Spring Sale is scheduled for April 7th, 2018 and will be held at Muskingum Livestock in Zanesville, Ohio. April 7th is not that far off, leaving us with a tight schedule to get consignments pulled together. Below is a schedule we will need to follow, to ensure that the catalog is produced and mailed on time:

<b>February 24:</b>	Consignment Deadline
<b>March 5:</b>	Cut-Off to update consignment info (ie. Breeding/Calving/Pictures)

A \$75/Lot consignment fee is required and is **Non-Refundable** following the February 24th consignment deadline. In the event, a consignment must be scratched, it is suggested to substitute with a different consignment lot. Following the sale, consignment fees will be credited towards your sale expenses.

Typically in spring sales, Bulls and Spring Cow/Calf pairs are the most well received. I'd encourage you to keep this in mind while selecting your consignments. Again, this Spring consignments of Angus-based (50% or higher) commercial cows and bred heifers will be accepted. In the event we surpass the threshold of 65-70 lots, first preference will be given to registered consignments.

If you are interested in consigning to this year's sale, please complete the consignment form and submit it along with your consignment fee by February 24th. If you have any questions regarding the sale and potential consignments, don't hesitate to give me a call at 740-505-3843. I appreciate the opportunity to work with you and hope you will consider consigning to this year's sale.

Thanks,

Dan Wells
