See these females at the 2010 Ohio Beef Expo Angus Sale!

Majors Lucy 927V

D.O.B. 9/27/09

AAA# 16437611

Purchased at the side of her dam in the Majors Farms Dispersal, we feel she will make any Jr. member happy in the show ring, and she can be shown for 2 years! Deep sided, great pattern, super disposition, and excellent growth EPD's - sired by "SAV Net Worth" out of a "Russ" dam.

* All are AM and NH free *

Gahler Victoria 5832

D.O.B. 11/23/08

AAA# 16321105

This extremely fancy yet powerful fall bred heifer sells A.I. bred to Mytty In Focus on 12/16/09. Sired by our Sr. herd bull - Gahler Emulation Double X52 (see below), she was the Champion Angus Female at the 2009 Blackswamp Angus Show, and class winner at the 2009 Ohio State Fair, and can still be shown in 2010. Super disposition and dependable genetics, tracing to "EXT," Saugahatchee, and the Champion Hill Rita and Victoria Cow families. One of the best females we've raised to date!

Bull For Sale at the Farm:

Sr. Herd sire for us that is loaded with muscle and flawless in phenotype, much like his maternal grandsire - Leachman Saugahatchee 3000C!

"Gahler Emulation Double X 52"
