ANGUS ASSOCIATION ACTIVITIES:

For each person in the family who has participated in any Angus activity please list the name of that family member and the activity. Designate the activities under the headings of Local, State and National. Please use a separate sheet of paper for this purpose and title it ANGUS ASSOCIATION ACTIVITIES. Activities could include but not be limited to: Shows, significant show winnings, awards, organizations and offices held, association sponsored events, etc.

COMMUNITY ACTIVITIES:

Using a separate sheet of paper entitled COMMUNITY ACTIVITIES please list community activities such as Church, School, Civic, Farm-related, 4H, FFA, etc. in which the nominee or any of the family members has been or is presently involved. Include offices held, awards, responsibilities in the organization.

Angus breeders within the State of Ohio have historically made significant contributions to the advancement of the Angus Breed in the United States. This has happened because of the strong commitment of Ohio Angus people to be the best they can be, both in their business and personal lives. The Board of Directors of the Ohio Angus Association feels that an avenue for recognition should be provided to individual breeders and their families who exemplify this ideal.

We invite and encourage individual members of the Ohio Angus Association or any of the regional organizations to annually submit a nomination for someone who you feel meets the following criteria:

The nominee must be a member in good standing of the Ohio Angus Association.

The nominee must be a documented breeder of registered Angus cattle for a minimum of 25 years.

It will be beneficial to the nominee if it can be documented that this individual/family has participated in and contributed to a variety of local, state and national Angus activities.

The breeding program of the nominee should demonstrate diversity, creativity, and progress which have contributed to the advancement of the breed during their time as an Angus breeder.

Active community involvement and contributions by the nominee should be documented.

Throughout this nomination process total family involvement where applicable should be stressed.

Person or group making the nomination:

Media coverage in the nominee's home area. List the name and address of at least one newspaper and one radio station so that a press release can be sent in the event that this nominee should win this honor.

OHIO ANGUS ASSOCIATION DISTINGUISHED SERVICE AWARD SELECTION AND NOTIFICATION GUIDELINES

Under the leadership of the Committee Chairman it will be the responsibility of the Awards Committee of the Ohio Angus Association to select a recipient of this award by fulfilling the following responsibilities in a timely fashion:

The committee chairman will appoint a time and procedure for reviewing the nominations for the purpose of selecting a recipient of the award.

The chairman of the awards committee must see that each member of the awards committee has access to a complete copy of the nomination of each candidate for the award.

In selecting a winner each committee member participating will vote for the candidate of their choice. A winner can be selected only when their nomination receives a simple majority vote of those committee members involved.

In the event of a tie vote that cannot be broken after three separate tries, no winner will be selected. Discussion among those committee members participating must be permitted between each of the tries to break a tie vote.

The committee chairman will be responsible for notifying the winner in order for that person to make personal preparations for accepting the award.

The committee chairman, working with the Ohio Angus Association Secretary, is responsible for seeing that the proper award is available and that the winner is properly recognized at the annual banquet of the Ohio Angus Association.

The Ohio Angus Association Secretary is responsible for a press release about the winner of the award being sent to the media as listed on the nomination form.
